As High As Wu-Tang Get

Wu-Tang Clan

Come on in

Dinn-dnn-dnn-ta-dnn

(Come on in)

Dinn-dnn-ta-dnn, dinn dnn dah

(Come on, come on, come on in)

Dnn-da-duh-duh-dah, you bitch ass niggaz

(Come on in, come on, come on in) As high as Wu-Tang get

Allah allow us pop this shit

Just like black shoe fit

If you can't wear it, well, don't fuck with it Yo, too many songs, weak rhymes that's mad long

Make it brief son, half short and twice strong

No doubt, it took time searchin', eventually

It was prime urgent, for you to examine the rhyme merchantLace MC's with styles when they rhyme drunk

On a label hunt, until twenty thou, out the trunk

Eight Diagram sword swinga armored tank force

RZA throw in the disc but then change the bank sourceYou can't flow, must be the speech impediment

You got lost off the snare off Impeach the President

Whether in Amsterdam smokin' seven grams of green

Then you pack, a thousand white teens in tight jeans This Witty Unpredictable shot is critical

To analytical analogy, insurance policies why

Said he know that sounds define the note

Couldn't recognize, blast him the fuck behind the ropes

Too many dope niggaz I see starvin'Catch a single deal, a possible plea bargain

Wu slay regardless to whom or what, five mics five nights

Hang him from the balcony, drop twenty-five flights

A fugitive bass playin' rap czar

Smoke the cigars, his prints on the strings of his guitarAs high as Wu-Tang get

Allah allow us pop this shit

Just like black shoe fit

If you can't wear it, well, don't fuck with itTical got a hold on ya, doin' exactly

What the fuck I mariju-wanta, dis nigga nasty

Deep in the dirty dungeon, buggin, lovin'

The ways these rhymes keep comin', at cha splash yaGet your head piece fractured, with killer cuts

Prone to drops ya, slash ya, rip shit up

Got this whole thing Tang mastered, sho nuff

An MC too good to be touched, John John

Bring the phenomenon, I cold crushMC, inferiorities they froze up, ice cold

As we move on, saga unfold

Captivated by a saga that go untold, like Goldfinger

Caught up in a cliffhanger

Yo, INS another code red, danger, break out the vestNow it's tactical warfare, it's all here Come with your shield and hardware, it be on here

Don't ever roam, in the naked city

Eight Fingers stories none prettyBomb 'em wit' the Witty Unpredictable, conditionin' be critical Peace to Tang, gettin' high on your physical

Dis next drink is a toast to your memory

When I go how many niggaz gon' remember meAs high as Wu-Tang get

Allah allow us pop this shit

Just like black shoe fit

If you can't wear it, well, don't fuck with it
