Loverboy

Steve Bug

I got myself a lover who knows what I like
When he invites me over, I come every time
And when my sugar daddy takes me for a ride
Whatever way we go it?s delirium time
He?s all mine and his lovin? makes me high
Like a taste of ecstasy all I need is him to be my loverboy
Loverboy come on and love me
Give me more, touch me and touch me
I enjoy the way you rock me
All night long
Loverboy come on and take me
Only you know how to make me
Shudder with anticipation
All night long
I got myself a lover and he?s so sublime
It?s quite a bit of heaven to feel him inside
'Cause when my sugar daddy takes me for a ride
Whatever way we go it?s delirium time
I get weak when his candy kisses sweetly
Caress my whole body, all I need is him to be, my loverboy
Loverboy come on and love me
Give me more, touch me and touch me
I enjoy the way you rock me
All night long
