

Loverboy

Steve Bug

I got myself a lover who knows what I like
When he invites me over, I come every time
And when my sugar daddy takes me for a ride
 Whatever way we go it's delirium time
 He's all mine and his lovin' makes me high
Like a taste of ecstasy all I need is him to be my loverboy
 Loverboy come on and love me
 Give me more, touch me and touch me
 I enjoy the way you rock me
 All night long
 Loverboy come on and take me
 Only you know how to make me
 Shudder with anticipation
 All night long
 I got myself a lover and he's so sublime
 It's quite a bit of heaven to feel him inside
'Cause when my sugar daddy takes me for a ride
 Whatever way we go it's delirium time
 I get weak when his candy kisses sweetly
Caress my whole body, all I need is him to be, my loverboy
 Loverboy come on and love me
 Give me more, touch me and touch me
 I enjoy the way you rock me
 All night long
