I Will Follow You

Modern Talking

Oh my baby hold me
There is only you and me
Oh I cannot wait forever
Oh I cannot wait foreverTell me there's a heaven
And there is a destiny
Oh I cannot wait forever
Oh I cannot wait foreverI will tell you baby
All my love is real
Can't you feel my baby
What I feel?I will follow you
Oh everytime and every minute
I will follow you
See my love is trueI will follow you
Oh everytime and every minute
All I wanna do
Is making love to youThere's no me without you
Why an Angel breaks my heart
Oh I cannot wait forever
Oh I cannot wait foreverPlease send me your rainbow
And we'll try a brandnew start
Oh I cannot wait forever
Oh I cannot wait foreverAnd beyond my tears girl
I will see your smile
Baby I can't wait
Wait a whileI will follow you
(Follow you)
Oh everytime and every minute
I will follow you
See my love is trueI will follow you
Oh everytime and every minute
All I wanna do
Is making love to youI will love youI will follow you
(I will follow)
Oh everytime and every minute
I will follow you
(Everytime)
See my love is trueI will follow you
(I follow you)
Oh everytime and every minute

All I wanna do
You must see my love is trueMy love is true
Oh so true
I follow you
