

# Be Like Water

## Sarah Fimm

Don't chase ghosts, don't get too close,  
Don't get caught, don't get spent  
Don't get bought  
Don't sell out, don't get bent  
Don't fuck your best friend  
If everything is just the way it should be  
Why am I why am I still hungry  
Be like Water  
Don't be shy, don't shut your eyes  
Don't get high  
Expand your Mind.  
Don't keep in touch, don't touch yourself  
Don't ever want to be somebody else.  
When everything is bad as it can be  
Never be never be angry  
Be like Water  
Must be the answer you want  
I'm not your slave  
I'm not the one who burnt you out  
Fucked you up and put you on  
Broke you down  
Ask someone else  
To be that someone  
I can't be that someone who can  
Be like Water  
Why can't I be the answer you want?
