My Tinderbox

I can feel you here tonight
Everything here makes me think of you
You're all around me now
And everything I see tells a story of where we've been
This could be all I needDo you remember?
Do you remember?
(Cause you're not here)
Do you remember?
Do you remember?
Cause you're not standing next to me
And I don't see it in your eyes anymore
Do you remember?
Do you remember?I could see you standing up the road
And my chest feels like caving in
I chase you all night if I could
Cause these eyes are running dry
They tell the story of where I've been
The things I know could do me inDo you remember?
Do you remember?
(Cause you're not here)
Do you remember?
Do you remember?
Cause you're not standing next to me
And I don't see it in your eyes anymore
Do you remember?
Do you remember?Cause I know I did everything I could and now you're gone
Now you're gone
And I hope you're in a better place
It's not the same without you hereDo you remember?
Do you remember?
Cause you're not here
Do you remember?
Do you remember?
Cause you're not standing next to me
And I don't see it in your eyes anymore
Do you remember?
Do you remember?(Do you remember? Do you remember?)(Do you remember? Do you remember?)(Do you remember? Do you remember?)(Do you remember? Do you remember?)
