

# La Cienega Just Smiled

[Ryan Adams](#)

Oh the night, here it comes again  
It's on with the jeans, the jacket and a shirt  
How'd I end up feeling so bad  
For such a little girl And I hold you close in the back of my mind  
Feels so good but damn it makes me hurt  
And I'm too scared to know how I feel about you now  
La Cienega just smiled, "see you around" And I hold you close in the back of my mind  
Raise my glass 'cause either way I'm dead  
Neither of you really help me to sleep anymore  
One breaks my body and the other breaks my soul  
La Cienega just smiles, waves goodbye Oh the night, here it comes again  
It's off with the jeans, the jacket and the shirt  
How'd I end up feeling so bad  
For such a little girl
