What we gon' do do do, baby Love is on the way, all I got to say is
It won't let go
You can pray to early May, fast for 30 days
Still it won't let go, oh
Got a good book and got all in it, tried a little yoga for a minute
But it won't let go, oh
Tried to turn the sauna up to hotter, drank a whole jar of holy water
But it won't let go, oh I I I I I I
Want you you you you you you you
Said I I I I I I
I said what we gon' do In the worse kinda way way way way way way way
I want you you you you, baby
So what we gon' do, baby
So what we gon' do, baby Love is on the way, all I got to say is
It won't let go
You can pray to early May, fast for 30 days
Still it won't let go, oh
Got good book and got all in it, tried a little yoga for a minute
But it won't let go, oh
Tried to turn the sauna up to hotter, drank a whole jar of holy water
But it won't let go, oh I I I, baby
Want you you you, baby
