

It's Alright for You

The Police

Wake up
Make up
Bring it up
Shake up
Stand by
Don't cry
Watching while the world dieBig car
Movie star
Hot tip
Go far
Blind date
Too late
Take a bus
Don't waitIt's alright for you
It's alright for you
It's alright for you
For you and you and you and you and youIt's alright for you
It's alright for you
It's alright for you
For you and you and youLimp wrist
Tight fist
Contact
No twist
Black dress
No mess
People don't want no less, no lessStand by
Don't cry
Watching while the world die
Three lane
Fast lane
Standing in the cold rainIt's alright for you
It's alright for you
It's alright for you
For you and you and you and you and youIt's alright for you
It's alright for you
It's alright for you
For youHeadlight
High life
Can't sleep

Good night
Up tight
Big fight
Big deal
Too right, too rightBig town
Don't drown
Jump back
Turn around
No life
Flick knife
Finish off my lifeIt's alright for you
It's alright for you
It's alright for you
For you and you and you and you and youIt's alright for you
It's alright for you
It's alright for you
For you
