

Head Over Heels

New Found Glory

I wanted to be with you alone
And talk about the weather
But traditions I can trace against the child in your face
Won't escape my attention Oh, you keep your distance with a system of touch
And gentle persuasion, I'm lost in admiration
Could I need you this much?
Oh, you're wasting my time, you're just, just, just wasting time Something happens and I'm head over heels
I never find out till I'm head over heels
Something happens and I'm head over heels Ah, don't take my heart, don't break my heart
Don't, don't, don't throw it away
Throw it away, throw it away I made a fire, watching burn
Thought of your future, with one foot in the past
Now just how long will it last?
No, no, no, you have no ambition My mother and my brothers used to breathe in clean air
And dreaming I'm a doctor
It's hard to be a man when there's a gun in your hand
Oh, I feel so Something happens and I'm head over heels
I never find out till I'm head over heels
Something happens and I'm head over heels Ah, don't take my heart, don't break my heart
Don't, don't, don't throw it away
Don't throw it away And this is my four leaf clover
I'm on the line, one open mind
This is my four leaf clover And this is my four leaf clover
This is my four leaf clover
This is my
