All this fuckin money dont know how to spend it
Fuck it my team winnin so i throw a couple hundred

50 round my neck, 60 hoes on my dick
We all got Benz, you ain't fuckin with my clique

Rich forever like i aint never goin broke
Billion dollar bitch that you'll never get to know
Came from nothin straight up out the O
Million on my mind, man you know this kid go

Credit card no limit i just bought out true religion
My whole team winnin so you know we all on
Just bought a whole street, my money still on
Bought a new gave the keys to moms
