

# Let Her Dance (Main)

Stephen Marley

(Stephen) V1

She caught my eyes, from across the room  
So tantalized by the way that she moves  
Yo mister DJ give her a chance  
Don't stop the music, please let her dance  
Wink and a smile now she's dancing for me  
All this attention yo what could this be?  
Yo tell the DJ, play that again  
Play that same music so she can

Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, cho!

(Stephen) V2

Now she was grooving on the dance floor  
Way that she moved I was wanting some more  
Yo mister DJ give her a chance  
Don't stop that music, please let her dance  
Wink and a smile, she was dancing for me  
All this attention yo what could this be  
Yo tell the DJ play that again  
Play that same mu-sic so she can

Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, dance dance

(Illestr8) V3

Oh yeah, I'm chill as a villain  
You nillas' is grillin  
Cause they wanna dance  
But they couldn't get her attention  
Listen, she's sick with the rhythm

Twists her hips into different positions  
And ain't spilled the drink that she's sipping  
Got a cute face, slim waist, and pretty bow legs  
M'a I'll give it to you the day you gimme the go ahead  
Oh yeah, it's the kings in the building  
Ghetto Youths representing for the women and children

(Maya Azucena) V4

See I caught his eyes, from across the room  
He's tantalized by the way that I move  
Yo mister DJ give us a chance  
Don't stop the music please let us dance  
Ooh, I could tell, he was smiling at me  
All this attention now what could this be  
Hey mister DJ play that again  
Play that same music so we can...

Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, dance dance

(Stephen) V5

She caught my eyes, from across the room  
So tantalized by the way that she moves  
Yo mister DJ give her a chance  
Don't stop that music, please let her dance  
Wink and a smile now she's dancing for me  
All this attention yo what could this be?  
Yo tell the DJ, play that again  
Play that same music so she can

Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, dance dance
