Kiss Chase

Stooshe

I see you, boy in the corner,
And I want you yes I do.
With only women in-between us,
These rules apply to you.If you can get away, then I don't get to play,
But if I catch you, I can keep you for another day.
So boy you'd better race, into outer-space.
Don't call your mommy 'cause your mommy can't keep you safe.5...4...3...2...1, remember kiss chase.Run!
Run! Run! Run!
What'cha gonna say when I'm coming your way?
Now run! Faster! Run! Faster!
Ready or not yeah, here I come.
Let's dance!
K-k-k-kiss chase.
K-k-k-kiss chase.As I move a little closer,
And I got my sights on you.
You can say that you don't like this game,
But it's better when you lose.If you can get away, then I don't get to play,
But if I catch you, I can keep you for another day.
So boy you'd better race, into outer-space.
Don't call your mommy 'cause your mommy can't keep you safe.5...4...3...2...1, remember kiss chase.Run!
Run! Run! Run!
What'cha gonna say when I'm coming your way?
Now run! Faster! Run! Faster!
Ready or not yeah, here I come.
Let's dance!
K-k-k-kiss chase
K-k-k-kiss chase.See you can never get away from me,
But you sure did damn try it.
But now I'm kissing on ya, kissing on ya baby,
I'm sure you'll survive.Run! Run! Run! Run!
What'cha gonna say when I'm coming your way?
Now rRun! Faster! Run! Faster!
Ready or not yeah, here I come.
Let's dance!
You'd better run, I'm catching up!
K-k-k-kiss chase.
You'd better run, I'm catching up!
K-k-k-kiss chase,
You'd better run, I'm catchin up!

K-k-k-kiss chase.
