

Blackout (kHoff Remix)

Breathe Carolina

Cut up and I can't feel my hands,

 No need to chase.

 Can you relate?

Can you keep up the pace like you're dying for this? And when you say "I'm not okay"

 I left my phone in the cab

 But you can't get me. I'm only getting started

 I won't blackout

 This time I've got nothing to waste

 Let's go a little harder

 I'm on fire

 I won't blackout

I'm on my way I'm only getting started And I can't see your face

 Cigarette the wrong way

 Inhale to the top of my lungs

I've been dying for this And when you say "I'm not okay"

 I left my phone in the cab

 Now you can't get me I'm only getting started

 I won't blackout

 This time I've got nothing to waste

 Let's go a little harder

 I'm on fire

 I won't blackout

I'm on my way I'm only getting started

 I won't blackout

 This time I've got nothing to waste

 Let's go a little harder

 I'm on fire

 I won't blackout

I'm on my way I'm only getting started This won't stop till I say so

 This won't stop till I say so

 This won't stop till I say so

Going and going and going and going and go This won't stop till I say so

 This won't stop till I say so

 This won't stop till I say so

Going and going and going and go I'm only getting started

 I won't blackout

 This time I've got nothing to waste

 Let's go a little harder

 I'm on fire

I won't blackout
I'm on my wayI'm only getting started
I won't blackout
This time I've got nothing to waste
Let's go a little harder
I'm on fire
I won't blackout
I'm on my wayI'm only getting startedThis won't stop till I say so
This won't stop till I say so
This won't stop till I say so
Going and going and going and goI'm only getting startedThis won't stop till I say so
This won't stop till I say so
This won't stop till I say so
Going and going and going and goI'm only getting started
