# So Close (Lucas Ribeiro Remix)

## Jennette McCurdy

You just keep tuggin, pushin, pullin
On my little heartstrings
Got me all tied up in knots
Anytime I see your face
Oh it brings out
It brings out the girl in me
Don't know just how ya did it
But ya got me real good
Hook, line and sinker
Like I knew you could
But you don't even notice
Boy I wish you wouldI can't help myself
I can't help but smile
Every time I see your face
And we've never met
I bet you don't know my name
Am I outta my mind
I think that I might be goin' crazy
Cause my heart is yours to have and hold or break
How'd you get to be so close
When you're so far awayI think you might be close to perfect
Girls you know what I mean
He's got a face straight out
Of a magazine
Gotta pinch myself
To prove he ain't a dream
Oh oh ohI can't help myself
Now my secrets out
I can't help but smile
Every time I see your face
And we've never met
I bet you don't know my name
Am I outta my mind
I think that I might be goin' crazy
Cause my heart is yours to have and hold or break
How'd you get to be so close
When you're so far awayI wish you were mine all mine
Mine all mine
I wish you were mine all mine

I wish you were mineI can't help but smile
Every time I see your face
And we've never met
I bet you don't know my name
Am I outta my mind
I think that I might be goin' crazy
Cause my heart is yours to have and hold or break
How'd you get to be so close
When you're so far away
How'd you get to be so close
When you're so far away
