

I'm Alright

FFH

Some say that life is hard
Like swimming upstream or going against the grain
But I say life ain't that hard
'Cause I've seen how the joy outweighs the pain
So you can sit and whine about the times you've been having
Oh but as for me I choose to be as happy as I can be Because I'm alright
Trouble may find me but it's not gonna keep me down
'Cause I'll hold on tight
To the Father who loves me, He likes having me around
Yeah He loves me and He cares for me and so I'll be alright We go round and round back and forth and almost
upside down
To buy who we are, a great big house, nice jeans and a shiny car
But I'm learning that this world keeps turning with or without me
So I'll do my best and leave the rest to the one watching over me Because I'm alright
Trouble may find me but it's not gonna keep me down
'Cause I'll hold on tight
To the Father who loves me, He likes having me around
Yeah He loves me and He cares for me and so I'll be alright But I'm learning that this world keeps turning with
or without me
So I'll do my best, I'm gonna leave the rest to the one watching over me Because I'm alright
Trouble may find me but it's not gonna keep me down
'Cause I'll hold on tight
To the Father who loves me, He likes having me around
Yeah He loves me and He cares for me and so I'll be alright Alright, alright
You know I'm gonna, I'm gonna be alright
Oh you know I'm gonna be alright
Everything gonna be alright
