

The Realest

Onyx

Who's the realest, is it you?

Yeah, yeah

Who's the illest, is it you?

Yeah, yeah

Who's the realest, is it you?

Yeah, yeah

Who's the illest, is it you?

Yeah, yeah Who's the realest, is it you?

Yeah, yeah

Who's the illest, is it you?

Yeah, yeah

Who's the realest, is it you?

Yeah, yeah

Who's the illest, is it you?

Yeah, yeah

Sit down, we about to lift off

Let off the ratchets, full metal jackets

Pull your halo backwards, attack with everything

Get that mac and let it ring like bill collectors

I'm a mass murderer that killed the records

With a fifty round trump do what diddy dum does

Every nigga on the run in the city that I'm from

We catch a wreck on wreck, the rush hour

You don't want niggas like us to get power

We run scowers in the back we crush flowers

United we stand, divided we fall

Hammers a draw, man down, man on the floor

Who's the realest, is it you?

Yeah, yeah

Who's the illest, is it you?

Yeah, yeah

Who's the realest, is it you?

Yeah, yeah

Who's the illest, is it you?

Yeah, yeah Who's the realest, is it you?

Yeah, yeah

Who's the illest, is it you?

Yeah, yeah

Who's the realest, is it you?

Yeah, yeah
Who's the illest, is it you?
Yeah, yeah Trigger on the 13th make me feel like a king
Wearing brass knuckles like a four finger ring
Got goons on deck that'll take one for the team
Stick you for everything nigga, even your dreams
Want to know who the illest? Take a look in my eyes
When you wake up with nothing don't be surprised
Rather hate you for the truth than love you for the lies
I'll take you to the booth, that's where everybody dies
So much dirt that's why I still dripping mud
In the hood niggas grimy money thicker than blood
Get merked over pennies, nickels, and dubs
On boat carving paint, we the illest Who's the realest, is it you?

Yeah, yeah
Who's the illest, is it you?
Yeah, yeah
Who's the realest, is it you?
Yeah, yeah
Who's the illest, is it you?
Yeah, yeah Who's the realest, is it you?
Yeah, yeah
Who's the illest, is it you?
Yeah, yeah
Who's the realest, is it you?
Yeah, yeah
Who's the illest, is it you?
Yeah, yeah Who
