Only You

Jill Barber

If only you
Knew how much I care
If only you
Knew what my heart longs to share
If only I could find a way
To give some kind of clue
That my heart belongs to only you
If only I knew just how to name
The love that I long for you to claim
If only I could say aloud
What I know is true clue
That my heart belongs to
Only you
And I wonder am I fooling myself?
To think you could ever be mine
So I keep my heart on the shelf
Too afraid put it on the line
If only I knew just how to name
The love that I long for you to claim
If only I could say aloud
What I know is true
That my heart belongs to
Only you
If only I could take a chance
find the nerve to make my advance
Imagining what life could be
If your heart belonged to me
