Again

Bbmak

Can you help me
Ease the pain?
Can I hold you once again?
You know, they often say that love is blind
My heart can't see
The reason why you left that love behind is hurtin' me
Is there a chance that we can be
Again
Again
Hold my head up
Wipe the tears
I'm not cryin' for you no more
You know, they often say that love is blind
My heart can't see
There is a reason why you left our love behind, it's hurtin' me
Is there a chance that we can be
Again?
Is there a chance that we can be?
Uuh hu hu
Uuh hu hu
Is there a chance that we can be
(Chance that we)
Again?
Again
(So, don't go away)
Again
Again
