

I Honestly Love You

Boot Scooters

Maybe I hang around here a little more than I should
We both know I got somewhere else to go
But I got something to tell you that I never thought I would
But I believe you really ought to knowI love you
I honestly love youYou don't have to answer I see it in your eyes
Maybe it was better left unsaid
But this is pure and simple and you must realize
That it's coming from my heart and not my headI love you
I honestly love youI'm not trying to make you feel uncomfortable
I'm not trying to make you anything at all
But this feeling doesn't come along everyday
And you shouldn't blow the chance when you've got the chance to sayI love you, I love you
I honestly love youIf we both were born in another place and time
This moment might be ending in a kiss
But there you are with yours and here I am with mine
So I guess we'll just be leaving it at thisI love you
I honestly love you
I honestly love you
