

Walk On the Water

Komeda

You look around, staring back at you
Another wave of doubt, will it pull you under? You wonder
 What if I'm overtaken? What if I never make it?
 What if no one's there? Will You hear my prayer?
 When you take that first step into the unknown
 You know that He won't let you go
 So what are you waiting for? What do you have to lose?
 Your insecurities, they try to hold to you
 But you know you're made for more, so don't be afraid to move
 Your faith is all it takes, and you can walk on the water, too
 So get out, and let your fear fall to the ground
 No time to waste, don't wait, and don't you turn around and miss out
 Everything you were made for, I know you're not sure
 So you play it safe, you try to run away
 If you take that first step into the unknown
 He won't let you go
 So what are you waiting for? What do you have to lose?
 Your insecurities, they try to hold to you
 But you know you're made for more, so don't be afraid to move
 Your faith is all it takes, and you can walk on the water, too
 Step out, even when it's storming
 Step out, even when you're broken
 Step out, even when your heart is telling you
 Telling you to give up
 Step out, when your hope is stolen
 Step out, you can't see where you're going
 You don't have to be afraid
 So what are you waiting, what are you waiting for?
 So what are you waiting for? What do you have to lose?
 Your insecurities try to hold to you
 You know you're made for more, so don't be afraid to move
 Your faith is all it takes, and you can walk on the water
 Walk on the water, too
