I Deserve To No

Malachai

ooohh
all those things and ?could be any time
and could be any day
could be anyone
you see upon your way
if you believe far for the paper's sake
You'd think we're living in some
distant pastcould be anyone
and could be any to
could be one of me and could be one of you
i would want to know which one is true
you could be leading the ?but ohhhh
I don't know ooohhh
what it is
that we're fighting
nooo
I deserve to no (x5)
why we're fightingI push someone
if someone pushes me
I carry guns if
guns are all i see
Seeing in ?
Think we're living in some
distant pastWorrying ?, worrying ?
??
You wouldn't believe what
cut this world in two
You'd have thought
that we'd have learned by nowbut oooooh
I don't know
what it is
that we're fightingnoooo
I deserve to no (x10)why we're fighting
