Cyberspace

[Karl Bartos](#)

cyberspace is the place
for a game on a wireframe.
put on your data glove and enter the scene
on the other side of the screen.matrix of logic across the colorless void.
matrix of logic across the colorless void.
matrix of logic across the colorless void.cyberspace is the place
for a game on a wireframe.
put on your data glove and enter the scene
on the other side of the screen.
cyberspace ist das Medium
fuer die Reise in ein Elektrouniversum
zieh den Datenhandschuh an und begib dich dann
auf das Koordinatenfeld in einer kuenstlichen Welt
matrix of logic across the colorless void.
