

War Cry

Luke Lauber

My heart is heavy
My bones are weak
These voices never cease
To make me believe

That I am worthless to you
Their words seem so true
With my last breath
I will sing

I worship you
I worship you

Sin so deep in my flesh
It hurts so bad that I can't rest
No I can't rest
No I can't rest

So hear the cry of your saint
And save me, for mercy's sake
With my last breath
I will sing

I worship you
I worship you

I know the devil is knocking at my door
But not gonna let em push me no more
The world might knock me down
My whole life might crumble to the ground
But I know my strength is in you

I might fall a time or two
But I know when I fall I'll be heading for you
So help your wounded saint arise
And put that heavenly fire back in my eyes
As I shout my war cry with you

Woah oh oh
Woah oh oh

Woah oh woah

(x2)

(Chorus)

I know the devil is knocking at my door
But I'm not gonna let him push me no more
The world might knock me down
My whole life might crumble to the ground
But I know my strength is in you

I might fall a time or two
But I know when I fall I'll be headed for you
So help your wounded saint arise
And put that heavenly fire back in my eyes
As I shout my war cry with you

Woah oh oh

Woah oh oh

Woah oh woah

(x2)

Rise up, all you saints

And hear your God shouting along with you

A war cry that trembles the depths of Hell and its lies that burden you

(x4)

Rise up

Rise up

Rise up

Woah oh oh

Woah oh oh

Woah oh woah

(x2)

(Chorus)

Woah oh oh

Woah oh oh

Woah oh woah

(x2)
