

Take a Ride

Everlife

Yeah....
I own fame Hollywood
I own my neighbor hood
Big isn't bad and nobody has to be sad
Bigger excuse to be the one we had
No more voices tracking me down
Only a better day[Chorus:]
All I wanted (was a second chance to live again)
All I needed (was to know that I can really see again)
Call me freak call me a poser
You know I love to run with the holy ghost yea
Do you wanna take a ride come on people step inside Yeah....
Bitter sweat century taste great what a fate
If I do what I do cause I don't care about you
All I can be (no one will ever see)
No one wants a tragedy only a remedy (only a remedy)[Chorus] Oh take a ride oo-oo take a ride oo-oo
Step inside oo-oo second chance to live again
All I wanted All I wanted
All I needed All I needed
Oo-oo[Chorus] Yeah...
Oh yeah...
Yeah...
I wanna take
I wanna take a ride
