

I'm Done (feat. S. Carey)

Gordi

It feels good to say I'm done with you
Done with empty prose and verse
We learn our lines so well it seems
But forgot them to rehearse
It feels good to say I'm over you
And mean it more and more each time
Lock my secrets behind open doors
'Cause without you I'll do just fine
I'll do just fine
So I'll rest my head cause I'm finished now
Go to bed because I'm done
So many days, so many ways I could've said to you
Oh, boy I'm done
I was tired of fighting how I felt
I lost a battle here and there
So I stocked my weapons to begin again
Love and war are never fair
Your sharpened arrows pierce my heavy heart
And carry on to bleed me dry
But at least for now I have nothing left for you
And I don't even have to try, have to try
So I'll rest my head cause I'm finished now
Go to bed because I'm done
So many days, so many ways I could've said to you
Oh, boy I'm done
And it's so long now
And I have figured out
That I'm not stronger with than without
And I know my time's
Been wasted on your mind
It's never thrown away but to rewind
So I'll rest my head cause I'm finished now
Go to bed because I'm done
So many days, so many ways I could've said to you
Oh, boy I'm done
