

I'll Catch You

The Get Up Kids

Can you sleep as the sound hits your ears
One at a time?

An unspoken balance here
Unabridged for so many years
That I should stare at receivers
To receive her

Isn't fair Don't worry, I'll catch you
Don't worry, I'll catch you

Don't ever worry Your arms in mine
Anytime

I wouldn't trade anything
You're still my everything

To my surprise
Before my eyes

You arrive Don't worry, I'll catch you
Don't worry, I'll catch you

Don't ever worry Still breaking old habits, habits
You pulled the wool over me

I can see everything, everything
Remembering jinx removing Don't worry, I'll catch you

Don't worry, I'll catch you
Don't ever worry No need for reminding
You're still all that matters to me
