

Destroy (Live At Wacken Open Air 2004)

Ektomorf

Nice very nice
That's what I see outside
I can smell this shit
I smell the life
It's rotten inside Lie fucking lie
There's no respect there's no life
They want me to be fake
On their fake way
They want me to buy I have my right I have my life
I have a strength for the fight
I'm sick of them I don't want more
Destroy! Why I ask why
The people don't care the people so blind
Most of them want just money
Hypocrite world
The future is dark Now here and now
I destroy the walls watch me I'm free
They can fuck all their shit
I'm free this is my life I have my right I have my life
I have a strength for the fight
I'm sick of them I don't want more
Destroy!
