

Satin Sheets

Silverchair

Just wait for us to say it
And we'll make you lie
And anyone who cares
Lies on satin sheets
And I waste my time on no one
And you think I really care
Wears a Saturn bracelet
Lined with cocaine coins
No chance slipped away
Toddler training toys
And I waste my time on no one
And you think I really care
And I waste my time on no one
And you think I really care
