Band Breaker

SKATERS

I'd have to change my name for you,
And change all my style too,
I'd have to get another point of view,
I know you think I'm welcome to,
Well you're wanted by every boy in town,
Yeah you're wanted wayoo,
By every boy in town,I see you're on the run, band breaker,
It was only fun, for you,
You tore it all apart, band breaker,
Tell me what, what, did you do,Down to ?
To how you pay your rent,
You've got the shadiest stare,
Your weapon eyes in there,
Well you're wanted, by every boy in town,
Yeah you're wanted ayay oh oo,
By every boy in town,I see you're on the run, band breaker,
It was only fun, for you,
You tore it all apart, band breaker,
Tell me what, what, did you do,
Oh I see you're on the run, band breaker,
It was only fun, for you,
You tore it all apart, band breaker,
Tell me what, what, did you do
