

# The I.N.C. Ride

## Masta Ace Incorporated

It's the ride y'all  
Come on we're goin' on a ride  
It's the ride y'all,  
Come on I know you wanna ride  
It's the ride y'all  
Come on we're goin' on a ride  
It's the ride y'all  
It's the I.N.C. RideR to the I, D to the E  
Check out how we the I.N.C.  
Get more Biz than Markie  
As I spark thee  
Mike like lightnin'  
That's frightenin'  
I'm hypin'Niggas up,  
'Cause they don't know the score  
Ooh here comes the roar  
Knock on your door  
I wonder who it is  
And who could it be  
Ain't nobody but the I.N.C.  
Wit mo' Soul than the Train  
I'm a reign  
With 808 beats  
That hit big like Kane  
Daddy, Caddy, Coup Deville, chill  
Jump in my ride  
And slide down the hill  
To see if we catch dem kids  
Talking that  
Was talkin' that mess  
And tryin' to impress  
Nevertheless, yo  
I gotta let 'em know  
They can't find us  
So get behind us  
'Cause we cruise in the I.N.C. RideIt's the ride y'all,  
Come on we're goin' on a ride  
It's the ride y'all,  
Come on I know you wanna ride

And I'm not the one you wanna play (Don't play)  
I'm flat like a cap on a can of flat black  
Let me snap back break a niggah down with my rap  
Cause this is how we do  
Who is the crew coming through with the brand new  
As we flex and get fly,  
You cry The roof is on fire  
But my name ain't left eye  
Punks be all up on it  
Like a Charlotte Hornet  
But they full of Chicago Bull-shit  
'Cause they don't want it  
Ooh, don't let me sing  
I'm peaking  
I'm freakin'  
Get in that ass like a G-String  
And that you don't need  
We'll be blowin' up like that movie Speed  
Indeed you're on a ride It's the ride y'all
