

Dum Da Dum

Shawn Desman

Shes just a girl
And I'm just a boy
Sometimes things happenin'
We don't have a choice
Some call it faith
Some call it an accident
I call it beautiful, like heaven sent
Last night my whole life
Came to a change
'Cause last night I left my
Heart back at a place
I came home singing
Dum, da dum, da dum, da dum dum, da dum, da dum (Oh, oh, ooh-woah)
Dum, da dum, da dum, da dum dum, da dum, da dum (She got my singing)
Dum, da dum, da dum, da dum dum, da dum, da dum (Oh, oh, oh ooh-woah)
Dum, da dum, da dum, da dum dum, da dum, da dum I'm just a boy
And she's just a girl
Love is a mystery
I'm starting to learn
Came unannounced
Came out of the blue
Made my whole universe, revolve around you
Last night, my whole life
Came to a change (a change)
'Cause last night I left my
Heart back at a place
I came home singing
Dum, da dum, da dum, da dum dum, da dum, da dum (Oh, oh, ooh-woah)
Dum, da dum, da dum, da dum dum, da dum, da dum (She got my singing)
Dum, da dum, da dum, da dum dum, da dum, da dum (Oh, oh, oh ooh-woah)
Dum, da dum, da dum, da dum dum, da dum, da dum (ooh whoa) Now I'm walking down the street and
everyone I meet
They don't understand that they think something's wrong with me
Were living in a parallel universe you and me
We're speaking in a language that only lovers speak (oh, ooh-woah!)
Dum, da dum, da dum, da dum dum, da
dum, da dum (Oh, oh, ooh-woah)
Dum, da dum, da dum, da dum dum, da dum, da dum (She got my singing)
Dum, da dum, da dum, da dum dum, da dum, da dum (She got me, she got me)
Dum, da dum, da dum, da dum dum, da dum, da dum (Now I can't stop) I can't stop
Dum, da dum, da dum, da dum dum, da dum, da dum
Dum, da dum, da dum, da dum dum, da dum, da dum (Oh, oh, ooh-woah) C'mon
C'mon (hoo)
Singing yeah, ah ah

Singing yeah, ah ah
Singing yeah, ah ah
Ey yea yea yeah (Can't help but to sing along to this one)Singing yeah, ah ah
Singing yeah, ah ah
Singing yeah, ah ah (even if your try)
Ey yea yea yeah
