

# There's No Use Hanging On

[Tammy Wynette](#)

I might as well just hang it up  
There's no use hanging on If I felt that we could work things out  
I'd stay and talk it over  
But I can say that love and feeling's gone  
Love and feeling's gone Your memory brings me right back here  
Your silence makes me leave in tears  
So I might as well just hang it up  
There's no use hanging on Hanging on would only bring me sorrow  
So I'll just say goodbye, then I'll be gone  
I've grown [Incomprehensible] to have you near  
I don't know what on earth I'll do  
But I might as well just hang it up  
There's no use hanging on Hanging on would only bring me sorrow  
So I'll just say goodbye, then I'll be gone  
I've loved you for a long, long time  
I guess you'll never leave my mind  
But I might as well just hang it up  
There's no use hanging on I might as well just hang it up  
There's no use hanging on
