

Sister Song

Perfume Genius

Drive on, drive on
My special one
Don't you stop 'til you know you're gone
Your sister and me have a set of keys
Don't you worry your head 'bout a thing Drive on, drive on
My special one
Don't you stop 'til you know you're gone Drive on, drive on
My special one
Don't you stop 'til you know you're gone
Your sister and me will keep your place clean
so it shines when you finally come home Drive on, drive on
My special one
Don't you stop 'til you know you're gone
