

# Miles and Miles of Texas

## Asleep At the Wheel

I was born in Lousiana down on the ol bouyo  
Rasied on shrimps and catfish mame's good gumbo  
I got the ramblin' fever said goodbye to ma and pa  
Crossed that ol red river and this is what I sawI saw miles and miles of Texas all the stars up in the sky  
I saw miles and miles of Texas gonna live here till I dieI rode up in to Austin the craddle of the west  
Just ask any cowboy he'll tell you it's the best  
I met a texas bueaty I got friendly with her pa  
I looked in to her big blue eyes this is what I sawI saw miles and miles of Texas all the stars up in the sky  
I saw miles and miles of Texas gonna live here till I dieI started tamin' bronko's I made every rodeo  
Until I met a tuff one you know his name was devil joe  
I grabb'd hold of his bridle just to ride this ol' outlaw  
He threw me from the saddle and this is what I sawI saw miles and miles of Texas all the stars up in the sky  
I saw miles and miles of Texas gonna live here till I dieMiles of Texas  
Uaaah nowAll night longGonna live here till I dieAaaaaaaah, Texas
