G4SHI

Freak your selfout on the road
Chances are you won't be alone
Liquor and drugs on your plastic card
This time you took it all a little too far-I saw you standing there
Just like on my tv
Don't care where you sleep
Don't consider meTape your hair down uour head
Don't want to lose it when you get her
Looking for kicks, chicks and coke
You know your life is a permanent jokeI saw you standing there
Outside the 7-11
Don't care where you sleep
Gonna pass out where you areI'm burned out on politics
Slimeball, you make me sick
Dead head, get over it
I'm already gone-I'm burned out on politics
Slimeball, you make me sick
Dead head, get over it
I'm already gone-I saw you standing there
Just like on my tv
Don't care where you sleep
Dont stand a chance with meI'm burned out on politics
Slimeball, you make me sick
Dead head, get over it
I'm already gone-I'm burned out on politics
Slimeball, you make me sick
Dead head, get over it
I'm already gone-
