Real Fonky Time

Dax Riders

This is a good sound
This is a good sound
This is a good sound
This is a good sound
I miss so much this real funky time
I miss so much this real funky time
I miss so much this real funky time
I miss so much this real funky time
Do you really want to party
Do you really want to party
Do you really want to party
Do you really want to party
So get on the dancefloor all night
So get on the dancefloor all night
So get on the dancefloor all night
So get on the dancefloor all night
So get on the dancefloor all night long
So get on the dancefloor all night long
So get on the dancefloor all night long
So get on the dancefloor all night long
Do you really want to party
Do you really want to party
Do you really want to party
Do you really want to party
This is a good sound make me scream tonight
This is a good sound make me scream tonight
This is a good sound make me scream tonight
This is a good sound make me scream tonight

Baby

So get on the dancefloor scream tonight
So get on the dancefloor real funky time
So get on the dancefloor scream tonight
So get on the dancefloor
So get on the dancefloor
So get on the dancefloor real fonky time
So get on the dancefloor scream tonight
So get on the dancefloor
