

Hey Ho Wish You Well ('Rogues Gallery' 1985)

Slade

Hey ho wish you well, wish you well, wish you well...
Hey ho wish you well, wish you well...Hey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly touch the sky
Over the moon
Over the moonMad dogs and Englishmen
Going out in the midday sun
Come on and join the fun
Do you know what I mean
Are you a ladies man
Gypsies kiss in a caravan
Drinking the black and tan
Do you know what I meanHey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly touch the sky
Over the moon
Over the moonTurn on your Dictaphone
Take your secretary home
Break down in a parking zone
Do you know what I mean
Riff raff I need a bath
Try and look good on a photograph
I'm on a crazy path
Do you know what I meanHey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly touch the sky
Over the moon

Over the moon Mad dogs and Englishmen
Going out in the midday sun
Too hot to jump the gun
Do you know what I mean
Are you a ladies man
Gypsies kiss in a caravan
Drinking the black and tan
Do you know what I mean Hey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly nice and high
Over the moon Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well Hey ho wish you well
Hey ho wish you well Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well...
