-
Ladies and gentlemen

Did you bring your tickets,
here, here, wait in line
Donâ€™t worry, just sit here comofortably
why do you keep on staring at your watch,
come till the end okay !

From now won lose control,
when you hear the music, dance
I canâ€™t stop your energy
that is about to explode

Unleash the beast that has been hiding
for a long time
You can never tame me
whoâ€™s like a naughty child

When the lighting illuminates me
All the people looking at me fall for me
When the lighting illuminates me

Donâ€™t miss any of my gazes

The instinct that canâ€™t be hidden
you know Iâ€™m gonna let out the beast !
You can feel it too
You know you wanna let out the beast !
The show time is starting let out the beast !
Scream loudly Let out the beast !
Now everyone Let out the beast!
Let out the beast!
Let out the beast!

The flash exploding here and there
my style is hot! A bit fresh!
With a heavy breathing
itâ€™s something you have never experimented

Weâ€™re still in countrol
the music becomes addictive
You canâ€™t take your eyes off of the drops of sweat
stuck at the tip of my chin

Untie the chain that sunk
into your restrained heart
Donâ€™t stop until
that moon disappears

When the lighting illuminates me
All the people looking at me fall for me
When the lighting illuminates me
Donâ€™t miss any of my gazes

The instinct that canâ€™t be hidden
you know Iâ€™m gonna let out the beast !
You can feel it too
You know you wanna let out the beast !
The show time is starting let out the beast !
Scream loudly Let out the beast !
Now everyone Let out the beast!
Let out the beast!
Let out the beast!

I will take you (what)
stop running away I wonâ€™t bite you
Iâ€™ll pull you towards me until the end,
I canâ€™t lose you to be honest

You know that i know
that you donâ€™t have no chance to escape, I already do
Okay now, letâ€™s start
itâ€™s my time to steal your heart

Now right (right) left (left)
look on the left now step (step)
Now right (right) left (left)
turn around and now step (step)

(You got me going crazy girl,
you got me going crazy, got me going crazy)
Even if the wild beast in me attacks
Donâ€™t be surprised, show, run till the end
Hey hey this feeling that dominates me
I canâ€™t fight it Let out the beast !
Let out the beast Let out the beast
Hey! Yeah! Yeah! Yeah! Let it out!

When the lighting illuminates me
I will unleash the me that was locked inside

(I will show it to my world)
Donâ€™t be scared Let out the beast !
With confidence Let out the beast !
Move Let out the beast!
Let out the beast!
Let out the beast!

(Let it out! Let it out!)
Donâ€™t be scared Let out the beast !
With confidence Let out the beast !
Scream Let out the beast!
Let out the beast!
Let out the beast!
