

No Love To Speak

Anberlin

I'm so tired of running
Chasing you into the ground
Wanted attention
You gave me warning instead
Affection warranted but not at your expense
Less than expected
But not at your address
Oh Sweetheart
I'm tired
I'm tired
I'm tired of trying Oh oh
Now I've got no love to speak
Oh oh
And I've got no worlds beside me
You had your chance and now my heart is full
Oh oh
Now I've got no love to speak In tomorrow will you there
Regret your yesterday
In sorrow I'll wait here
To hear all you have to say
Attention granted but just a few years too late
I'll move beyond a kiss
A kiss and charade
I miss you
I missed you
I don't miss you at all Oh oh
Now I've got no love to speak
Oh oh
And I've got no worlds beside me
You had your chance and now my heart is full
Oh oh
Now I've got no love to speak
