

Baby When The Light (& Cozi) [Parallel]

David Guetta

In spite of all the consequence
In spite of all my pride
In spite of little things you said
That hide me deep inside I believe your love
I breathe your love
Like the air in the morning
I sleep your love
I salute your love
And I can't get away Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you The lights of all you see
You could have overcome all this
And I still can't get over you
Are you someone I'll forever miss
I believed your love I can feel your love
And that's all that I wanted
I sleep your love I salute your love
And I can't get away Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you And there's the dark, begins to rain
The sound is heavy on me Baby when the lights go out
I need you Under the spell I wanna be under your touch
Under the spell I wanna be under the rush Baby when the lights go out Baby when the lights go out Baby when
the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you
