My Apology

Nosound

Karma usually comes wearing the stranger's light
It's easier to deal with that way
But now it's you, I've hurt you, disrespected you
There's nowhere to hide, no turning back, no rearrangement
Only what lies ahead and you're so Heaven sent
I know you're feeling hurt because of what I did to you
If it's blame I'll take it maybe we will make it through
'Cause I love you, I love you, think about it baby
I'm sorry for giving you the cold shoulder
Never been this wrong before
Never stood my ground and breathed it in before
All I wanted to do is hold ya
Never felt so brave and so afraid before
Never faced alone and felt the peace before
With tears in my eyes I come to you sincerely
Excepting this space I'm in
Growing outta the phase where I just wanna win
You act as though you don't even hear me
Look at me baby look at me I know you
I know you're feeling hurt because of what I did to you
If it's blame I'll take it maybe we will make it through
'Cause I love you, I love you, think about it baby
Growth I released my grief it was a heavy load
Survived the sleep and now I'm letting go
Waking up and living up to what I had proposed
Woman now I love the girl I used to be
Ever step she took was reaching out to me
Every breath is blessed responsibility, we made it baby
I can't control your feelings, feel me
I can't take back, what I've done
With my hand on my heart
I'm coming to you sincerely if you hear me I know you
I know you're feeling hurt because of what I did to you
If it's blame I'll take it maybe we will make it through
I love you, I love you, think about it baby
I know you're feeling hurt because of what I did to you
If it's blame I'll take it maybe we will make it through
'Cause I love you, I love you, think about it baby
Baby think about it we know better

But love has no expectations
So I don't expect you to do anything
Think about it
This is for me I'm offering this to you
To free myself
'Cause I know what I have to do
This is my apology think about it baby
