I Will Be There

Iron Savior

I'm roaming free
I found my way
this is my center
I've been searching for
peace of mind
I've left behind
the days of confusionThe future is bright
I have come back
I have returned
to the kingdom of life
back to the light
defeated the night
the realm of delusion
Been drifting through time
captured inside
this unholy body of mine
But now I am here
my senses are clearWhenever you're calling my name
I will be there
ohh, I will be thereThe quest for myself
came to an end
I have been reaching my promised land
Watching the mountainswatching the sea
for all eternity
Mislead and deranged
lost in my sorrow
I couldn't see no tomorrow
But now I am here
my senses are clearWhenever you're calling my name
I will be there
ohh, I will be there
The ages of madness
sin after sin
burning like fire
they're burning withinSolo: PietBeen drifting through time
...Whenever you're calling my name
I will be there
