Reminder (feat. How To Dress Well)

RL Grime

Shh shh shut up, think about now, that I woulda, coulda
Do you really wanna know the truth, truth?
Is it really us consume, but I want to meet
I'm not you, you. Everybody calling want you, you
Girl I really tell you not to do, do
Asking for you what you wanna do
Cause your love is in my lifeYou know just how to be bad
Look how you go and get me bad
Put your hands upon my body
Catching all the feelings that we have
Everybody got the vices and don't care 'bout how nice you sound
Everybody got the price and this is how we all fall down
But if somebody were to tell me now
That everything we thought was wrong
Yeah, everything we love was wrong, ohhh
Time after time, I was so blind
But I'm not gonna lie - it felt alright
When you were mine, when you were mine
When you were mine, oh!
When you were mine, when you were mine
When you were mine, when you were mine!
When you were mine, when you were mine!
When you were mine, when you were mine!Even used to let you wear my clothes
Bring me to your boyfriend's home
Swear I'm never drinking no more
We shouldn't be a thing no more
I came and I can't stand no more
I can't throw it at the phone no more
Watch you walking out the door no more
Gone til you're crying on the floor, no no
No I can't live with the storms, no more clouds, no more thunder, no, no
You know just how to be bad
Look how you go and get me bad
Put your hands upon my body
Catching all the feelings that we have
I'd be here if I could be any creature in this world
I was caught up, caught up, caught up, couldn't keep up with you, girlBut if somebody were to tell me now
That everything you wanted was wrong
Yeah, everything you want was wrong

That everything you think you want to tell me
Was just a figment of your plain imagination
Got you praying you could save a broken tape, oh
Everything you done was wrong
Yeah, everything you kno-oh-oh-owwTime after time, I was so blind
But I'm not gonna lie - it felt alright
When you were mine, when you were mine
When you were mine, oh!
When you were mine, when you were mine
When you were mine, when you were mine!
When you were mine, when you were mine!
When you were mine, when you were mine!Oh ohh. Oh oh oh ohhh.
sigh
Ohhhhh...
