Mortimer Nova

sometimes i dont know what i want
i just know i cant handle this
but i cant stand that i'm not enough for you
and other guys have to help fill my shoes i wish i could be enough for you
but i cant
so i give up you seem to be able to move on so fast
like i never mattered at all
i tried to move past my jealous instincts
but it never seemed enough i wish i could be enough for you
but i cant
so i give up
