

Do It Now

Trey Songz

Does he do it
Does he do it
Does he do it
Does he do it
Does he do it
Does he do it, do it
Like I do it
Like I do it
Like I do it
Like I do it
Like I do it

Like I do it, do it When you first showed me the kitten, girl you knew I was a freak
(damn right)

You knew ya swag was gon' do somethin' to me
You keep tellin' me one day you his, then one day you want me
Won't you stop all the pretendin' what the business gon' be
I've been promisin' you something more than jus' a couple weeks
Been rollin' round and jumpin' in and out bed
A real decisions what I need and girl it's time for you to make it
And while ya takin' it look at me girl and tell me one thing Does he do it

Does he do it
Does he do it
Does he do it
Does he do it
Does he do it, do it
Like I do it
Like I do it
Like I do it
Like I do it
Like I do it
Like I do it, do it

When you do it bet he don't do it like I do
Your here tonight and I got to know
You and me tonight and I got to know When you be home
Do you sometimes get so (get so)
Frustrated cause he wanna stay to long
I'm missin' you callin' on the bat phone
Tryna see what tonight gon' here for
When you wit' him do sometimes kinda wish that it was us

Posted up in the kitchen you teachin' me how to cook
Then it pop off on the counter and we make a lot of fuss
Then I take over the teachin' and you know what I'll do first
Does he do it Does he do it Does he do it Does he do it
it Does he do it Does he do it Does he do it Like I do it Like I do it Like I do it Like I do it Like I do it Like I do it
Like I do it Does he do it Does he do it Does he do it Does he do it Does he do it Does he do it Does he do it Like I
do it Like I do it Like I do it Like I do it Like I do it Like I do it When you do it bet he don't do it like I
do Tell me do like, do like the way I pull your hair
Tell me do like, do like the way I go down there
Tell me do like it how I make you yell and scream out, yeah
Tell me don't you like how I do it when you can't catch your breath (Does he do it)

(Does he do it)

(Does he do it)

Does he love you there

Do he spank you from the back
