

# Killing Time

## Destiny's Child

Sitting on the stairway  
Hoping that you're okay  
Waiting patiently  
For you to come back to me (what should I do?)  
I don't mind the waiting  
As long as there's still maybe  
A possibility  
For you to be true to me I'll be sitting on the stairway  
'Til a quarter 'til 2  
With nothin' to do baby ay yeah  
But twiddle my thumbs and think Killing time  
Waiting on you (baby)  
What should I do  
I'll be sitting here waiting  
Killing time  
Waiting on you (baby)  
What should I do (baby)  
I'll be sitting here waiting Look inside your mirror  
I hope that you see clearer  
Look behind yourself  
And you will find me (what should I do?)  
I've got your back baby  
The love I have, I'm saving  
I'll be there for you  
Just like I said I'll be I'll be sitting on the stairway  
'Til a quarter 'til 3  
With nothing to do baby  
But twiddle my thumbs and wait Killing time  
Waiting on you (waiting on you)  
What should I do (what should I do)  
I'll be sitting here waiting  
Killing time  
Waiting on you (waiting on you)  
What should I do (what should I do)  
I'll be sitting here waiting Oh baby, when you come back down  
Don't forget the love you found in me  
I know that you're gonna take time  
Oh, remember I'm by your side  
Don't worry, I'm down for you

No matter what you're goin' through  
I'll be there, I'll be there  
Baby, baby, baby, baby, babyKilling time  
Waiting on you (waiting on you)  
What should I do (what should I do)  
I'll be sitting here waiting  
Killing time (killing time )  
Waiting on you (waiting on you)  
What should I do (what should I do)  
I'll be sitting here waitingKilling time  
Waiting on you (killing time)  
What should I do (oh baby baby baby)  
I'll be sitting here waiting (I'll be staring at the wall)  
Killing time ('cause I'll be)  
Waiting on you (I'll be)  
What should I do (what I want should I do)  
I'll be sitting here waiting (I'll be waiting)Killing time  
Waiting on you (I'm lookin' at my watch)  
Killing time (killing time)  
Waiting on you (waiting ooh, ooh)  
Killing time, killing time
