Leader Of The Pack

Twisted Sister

Hey, is he really goin' out with her?
There he is, let's ask him
Hey man, is that your ring she's wearin'?
Uh, huhMan, it must be great ridin' with her
Are you pickin' her up after school today?
Uh, huh
By the way where'd you meet herI met her at the candy store
She turned around and smiled at me
You get the picture?
Yeah, we see
That's when she fell forThe leader of the packHer folks were always putting me down
They said I came from the wrong side of townThey told her that I was bad
But she knew I was sad
That's why she fell forThe leader of the packOne day her dad said find someone new
She had to tell me that we were throughI stood there and asked her why
But all she could do was cry
"I'm sorry I hurt you"The leader of the packShe was so small as she kissed me goodbye
Her tears were beginning to show
And as she drove away on that rainy night
I begged her to go slow, if she heard I'll never know
No, no, no, no, no, no, no, no, noI felt so helpless, what could I do?
Remembering all the things we'd been throughThe gang they all stop and stare
I can't hide my tears but I don't care
I'll never forget herLeader of the packLeader of the pack and now she's gone
Leader of the pack and now she's gone
Leader of the pack and now she's gone
