

# Leader Of The Pack

## Twisted Sister

Hey, is he really goin' out with her?  
There he is, let's ask him  
Hey man, is that your ring she's wearin'?  
Uh, huhMan, it must be great ridin' with her  
Are you pickin' her up after school today?  
Uh, huh  
By the way where'd you meet herI met her at the candy store  
She turned around and smiled at me  
You get the picture?  
Yeah, we see  
That's when she fell forThe leader of the packHer folks were always putting me down  
They said I came from the wrong side of townThey told her that I was bad  
But she knew I was sad  
That's why she fell forThe leader of the packOne day her dad said find someone new  
She had to tell me that we were throughI stood there and asked her why  
But all she could do was cry  
"I'm sorry I hurt you"The leader of the packShe was so small as she kissed me goodbye  
Her tears were beginning to show  
And as she drove away on that rainy night  
I begged her to go slow, if she heard I'll never know  
No, no, no, no, no, no, no, no, noI felt so helpless, what could I do?  
Remembering all the things we'd been throughThe gang they all stop and stare  
I can't hide my tears but I don't care  
I'll never forget herLeader of the packLeader of the pack and now she's gone  
Leader of the pack and now she's gone  
Leader of the pack and now she's gone
