

# There, Now I've Said It

## Further Seems Forever

One, two, three Listen to me, I won't repeat  
And please d-d-don't make me stutter  
This is the last time I'm telling you, blah, blah  
It's something about the golden rule And I want you to see this  
To see me burning in water  
Drowning in flames  
Erasing my name And I want you to see this  
To see me burning in water  
Drowning in flames  
Erasing my name I hope I was clear enough that time  
I made it clearer than I ever have before  
Speechless 'cause I wouldn't want you to forget  
All the lines and all these scripts that we have written And I want you to see this  
To see me burning in water  
Drowning in flames  
Erasing my name And I want you to see this  
To see me burning in water  
Drowning in flames  
Erasing my name I waited  
And then she calls out my name  
Catching her breath on my memory stain  
There, now I've said it And I want you to see this  
To see me burning in water  
Drowning in flames  
Erasing my name And I want you to see this  
To see me burning in water  
Drowning in flames  
Erasing my name
